Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Sanblue Corporation Limited ("the Company") as of 31st March 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements for the year ended 31st March, 2016

Corporate Information:

Sanblue Corporation Limited is primarily engaged in the Trading business and providing consulting services.

Note 1. SIGNIFICANT ACCOUNTING POLICIES**a) Basis of preparation of Financial Statement**

The Financial Statements are prepared under the historical cost convention in accordance with the generally accepted accounting principles, the Accounting Standards notified in the section 133 of the Companies Act 2013 read together with paragraph 7 of Companies (Accounts) Rules, 2014.

The Company follows mercantile system of accounting & recognizes income & expenditure on accrual basis.

b) USE OF ESTIMATES:

Preparation of financial statements in conformity with generally accepted accounting principles require management to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual result and estimates, are recognized in the period in which the results are known/ materialized.

c) Fixed Assets.

Fixed Assets are stated at cost of acquisition and installation cost less accumulated depreciation and impairment loss, if any.

d) Depreciation:

Depreciation on Office Equipment , Computer , Mobile Phone & Printer has been provided on written down value at the rate prescribed in schedule II of the Companies Act 2013. Depreciation on Fixed Assets added/disposed off during the year is provided on pro-rata basis .

Building and Electrical Installation has been retired from active use and held for disposal , are valued at carrying amount as recoverable amount is more than the carrying amount , as per independent valuation carried out by the company. Hence depreciation is not provided as per Accounting Standard 6.

e) Impairment of Assets.

The carrying amount of assets is reviewed at each balance sheet date for any indication of impairment based on internal /external factors. An impairment loss is recognized wherever the carrying amount of fixed assets exceeds its recoverable amount. The recoverable amount is measured as the higher of the net selling price and the value in use determined by the present value of estimated future cash flows.

f) Cash and cash equivalents (for purpose of Cash Flow Statement)

Cash comprise cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

g) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/ (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

h) Investments:

Investments are classified into current and Non Current investments.

Non Current investments are carried at cost. A provision for diminution in value of Non Current investments is made for each investment individually if such decline is other than temporary. Current investments are stated at the lower of cost or market value, computed category wise.

i) Revenue Recognition:

Revenue from consultancy, rental & interest income are recognized on mercantile system. Dividend income is recognized as and when the right to receive the amount is established.

j) Employee Benefit :

Short term employee benefits like salaries are provided on accrual basis. The provident fund , E.S.I , gratuity are not applicable to the company.

k) Provision, Contingent Liabilities and Contingent Assets

Provisions are recognized when the company has present obligation as a result of past events, for which it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.

Contingent Liabilities are disclosed by way of notes to financial statements. Contingent Assets are neither recognized nor disclosed in the financial statements. Provisional, Contingent Liabilities and Contingent Assets are reviewed at each balance sheet date.

l) Taxes on income:

Deferred tax is recognized on timing differences between the accounting income and the taxable income for the year that originate in one period and are capable of reversal in one or more subsequent periods. Such deferred tax is quantified using the tax rates and laws enacted or substantively enacted us on the balance sheet date.

Deferred tax assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

m) Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.
